

Fig. S3

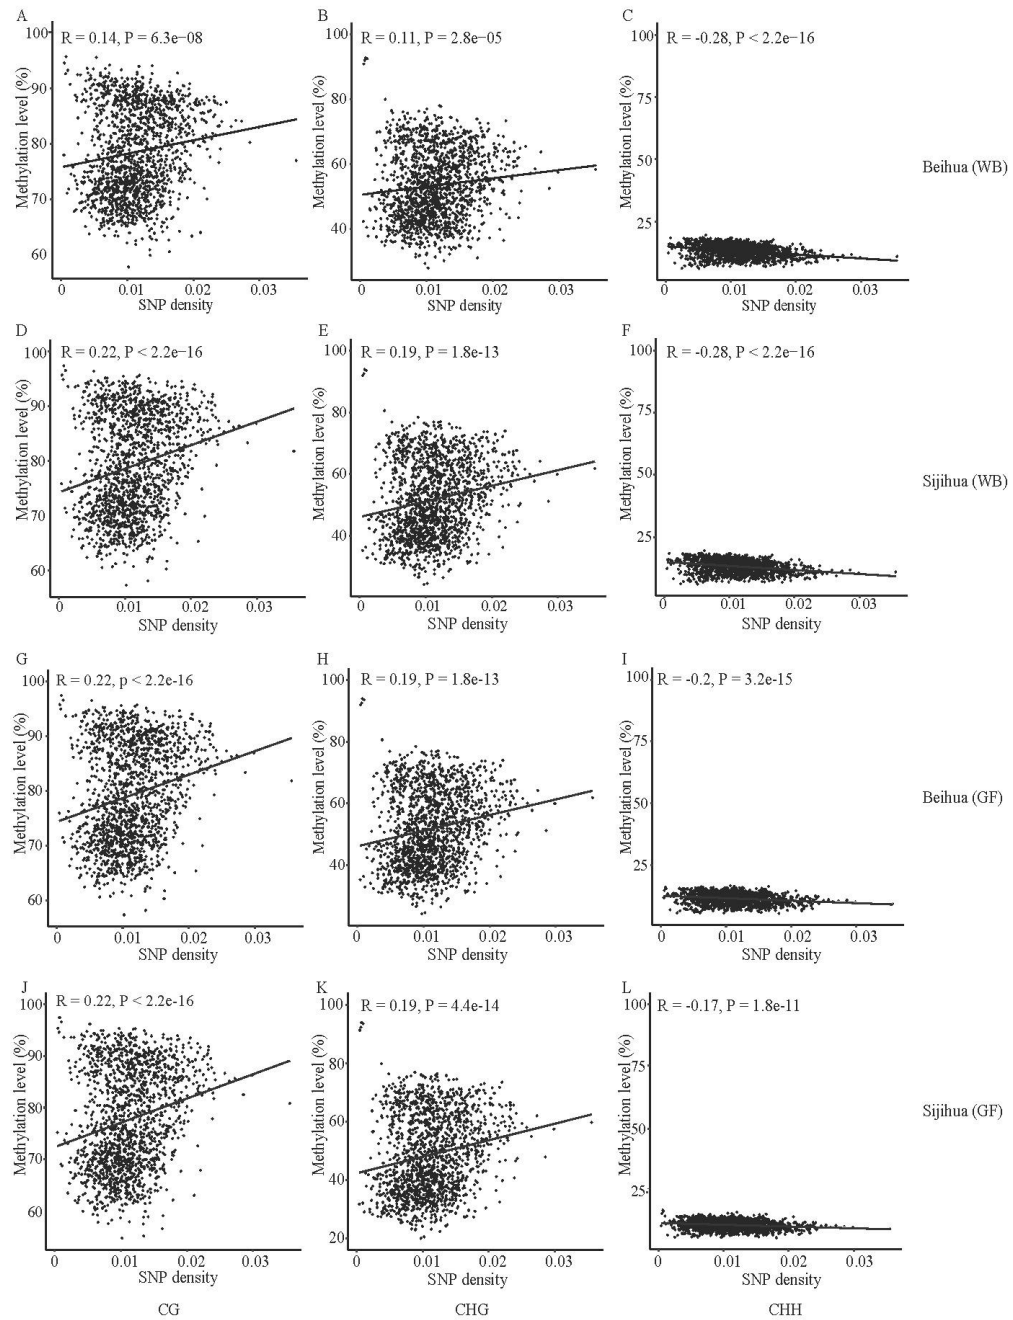

Figure S3. The correlation between SNPs and DNA methylation. A-F, The correlation between SNPs content and DNA methylation (CG (A and D), CHG (B and E), CHH (C and F)) at WB stage in Beihua and Sijihua. G-L, The correlation between SNPs content and DNA methylation (CG (G and J), CHG (H and K), CHH (I and L)) at GF stage in Beihua and Sijihua
