

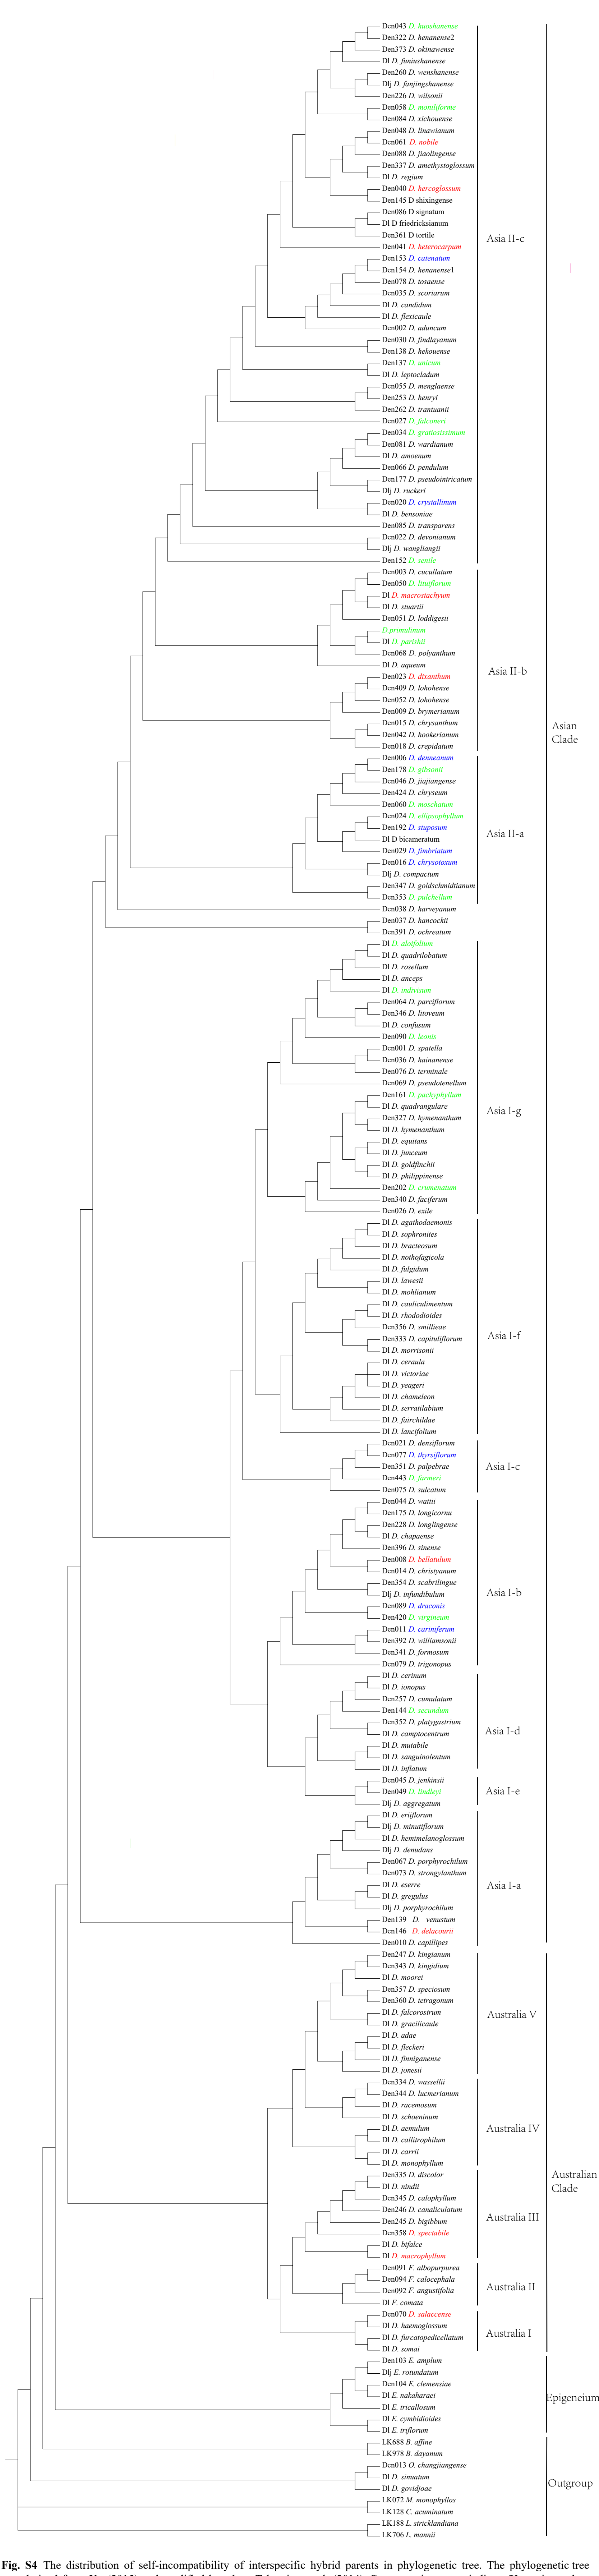

Fig. S4 The distribution of self-incompatibility of interspecific hybrid parents in phylogenetic tree. The phylogenetic tree was derived from Xu (2015) and modified based on Takamiya et al. (2014). Green species names indicate SI species; red species names represent SC species; blue species names indicate SI/SC species.

Xu Q. Phylogeny of *Dendrobium* and analysis of NBS gene in *Dendrobium officinale*. Doctoral dissertation. Beijing. University of Chinese Academy of Sciences. 2015.
